From our President:

I am so excited that we have become a Charter Chapter of the IOLI. I had our Charter framed to display when we do lace demos. The convention was so very inspiring, It will take me years to accomplish everything I would like to do. I want to let you know that while at the convention we picked up our Charter Chapter CD. It has lots of patterns shared by other lacemakers. Maybe something on there will inspire you. It is available to any of our members to download. I will bring it to our next meeting.

I hope you all had a great summer making lace and having fun. We will want to continue this into the fall. Shirley has some great ideas for our upcoming meeting projects. I would like to encourage you to contribute your project ideas to share with the group. Also please think about any articles or information you would like to contribute to our newsletter. Thank you to Shirley for getting the newsletter started to share with the group.

Let me know if you have any promotional ideas for our group. Do you know of any events where we might be able to demonstrate our skills to share lacemaking with the public? Many chapters received recognition at the convention for all the hard work and volunteer hours they spent promoting lacemaking. If you have any volunteer hours where you demonstrate, educate others about lacemaking be sure to let me know. We can send in our volunteer hours to IOLI for our service to lacemaking. We have the BonnieBrook event coming up later in October. I hope you will plan to join us.

Julie

Show Me Newsletter:

Welcome to the first newsletter for the Show Me Lacemakers. If any of you would like to take on the position of Newsletter Editor, let Shirley know. A monthly newsletter will keep everyone informed of the monthly meeting of the Show Me Lacemakers and demo opportunities, and it would be a good way to showcase the lace that our Show Me Lacemakers are working on or have completed.

Show Me Website:

Kelli and Violet are working on creating a chapter website. Thank you Kelli and Violet.

Program Coordinator:

If you might be interested in coordinating the programs for our meetings, visit with Shirley.

IOLI Dues:

Remember to make sure that your dues to IOLI are up-to-date. Check the expiration date on the mailing label on the last IOLI Bulletin that you received.

Show Me Lacemakers Charter:

Julie has had our charter framed. It looks really nice. Since we don't have any Show Me dues, we don't have any funds. If you would like to contribute to the cost of framing it, you are welcome to give some money to Julie.

Demo at Bonniebrook for their Festival of the Painted Leaves:

October 21 from 9AM – 4PM. Shirley will give a presentation on lacemaking at 10AM.

Next Meeting:

Our next meeting will be Saturday morning October 7 at the Branson Sewing Center from 9:30AM until 11:30AM.

We will be working on a spider sampler. The pricking is attached to this email. A thread drawing will be emailed before the meeting. The thread will be DMC 12.
