

Show Me Lacemakers Charter:

Thank you to everyone who contributed to the cost of framing our charter so that Julie wouldn't be out so much from her own pocket. She also framed the IOLI poster and purchased stands for both. It looked really nice when we demoed at Bonniebrook. Thank you Julie. If you didn't get a chance to contribute, I'm sure that Julie would accept additional donations.

Donation of lace ornaments:

CAM (Christian Action Ministries) is having a Festival of Trees to raise funds for their food pantry that distributes tens of thousands of pounds of food and grocery products to hungry and needy people in our community. We can donate lace ornaments that can be sold to support their pantry.
