## Greetings from the lace pillow of the President:

Hope everyone is enjoying the spring. We had a wonderful time making spring flower eggs in March. I plan to send one to my Mother for Easter. They were very inspiring as you will see by the enclosed pictures. I just could not resist trying to make the chicken inside the egg. I am looking forward to even more inspiration as we progress in our lacemaking skills at the April meeting. I hope everyone will join us. We hope you will also plan to join us at Bonniebrook as well, to demonstrate our skills to the community. It is a great time to practice what we have been learning and share our talents with others. Don't forget to track your volunteer hours for I.O.L.I.

*Julie*

## April Meeting:

The April meeting will be Saturday April 7 from 9:30-11:30AM at the Branson Sewing Center.

Change in program. We will do the planned program for May at the April meeting and then do the planned program for April at the May meeting. For the program in April we will “Fit Thread to a Grid Sample”. So bring different threads that you have. For example, everyone will want to do a sample for DMC Pearle Cotton #12. You will need to wind 14 pairs for each sample. Wind about half a yard of thread on each bobbin. Shirley will bring a pricking for you to the meeting.

## Weekly “Make Lace”.

You are invited to Shirley’s house on Thursday afternoons from 4:30PM until 6:30PM to make lace. You can bring lace projects from the regular monthly meetings to finish or you can bring your own lace projects to work on. Please let Shirley know each week if you will be attending.
