Greetings from the lace pillow of the President:

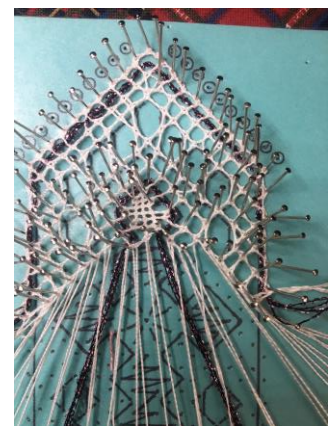

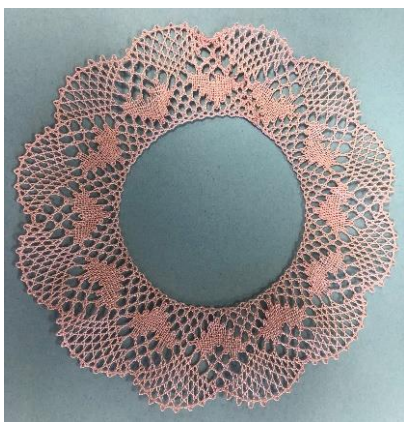

Hope you are enjoying springtime and lacemaking. I am super excited for our next meeting since the weather kept me from our last meeting. I hope you enjoyed making the thread samples. We will be exploring logarithmic lace this month. Should prove to be exciting.

Don't forget to track your volunteer hours including demonstrating at Bonniebrook on April 21.

Mother's day is coming up, it would be a great time to make a lace gift for a special mom you know, doesn't have to be yours. What other ideas do you have for using your lace? Think about other places, festivals etc. where we can spread the word about lacemaking by demonstrating at local events.

May Meeting:

The May meeting will be Saturday May 5 from 9:30-11:30AM at the Branson Sewing Center.

For the program we will use a graded grid. Bring 26 pairs of DMC Pearle Cotton #12. Wind a yard of thread on each bobbin. The pattern is from Pattern Design for Torchon Lace by Jane Atkinson, page 78, pattern 75. Shirley will bring a pricking for you to the meeting and metallic thread if you would like to put a metallic thread pair down each side. If you choose to do the metallic, bring two more pairs of bobbins (4 total more bobbins).

Weekly "Make Lace".

You are invited to Shirley's house on Thursday afternoons from 4:30PM until 6:30PM to make lace. You can bring lace projects from the regular monthly meetings to finish or you can bring your own lace projects to work on. Please let Shirley know each week if you will be attending.

Volunteer Hours:

IOLI collects how many volunteer hours its members spend promoting lacemaking. These hours are collected annually May 1 so that this information can be included in the organization's tax return to our government. If you belong to more than one charter chapter, only provide your volunteer hours to one of the groups. Please email your hours to Shirley at sjstone@suddenlink.net by April 30, so that Shirley can total all of our hours to submit to our IOLI Regional Director.
